EPSON®

Epson Expression® 13000XL

Archival Scanner

The large-format scanner for extraordinary archival photo and graphics scanning.

ReadyScan® LED

Professional large-format scanning — accommodates reflective media up to 12.2" x 17.2"

Exceptional image quality — 2400 x 4800 dpi resolution, Epson® Micro Step Drive™ technology and a 3.8 Dmax provide brilliant clarity and detail

Extraordinary color accuracy — Epson MatrixCCD® and ReadyScan® LED technologies deliver bold, vibrant scans that are true to the originals

One-touch color restoration — Epson's exclusive Easy Photo Fix® technology restores faded color photos in a snap and offers automatic dust removal; easily restore color and detail to old and faded photos with one touch

Optional transparency scanning — pair with the optional Transparency Unit (sold separately) to scan film up to 12" x 16.5"

Batch scanning for increased productivity — scan multiple images at one time and save files to a PC or Mac®

Powerful software included — LaserSoft Imaging SilverFast Ai with calibration targets

Seamlessly integrates with virtually any imaging software — TWAIN driver included
