

## RapidReceipt® RR-400W Wireless Compact Desktop Receipt and Document Scanner

Scanners

Receipt

## Streamline your business and your space with this powerful, compact scanner.

**Blazing speed in an ultra compact, space-saving design** — quickly and easily organize your expenses and documents while saving 60% of desk space<sup>1</sup>

**Receipt management software included, no subscription required** — automatically and accurately extract and categorize key data from receipts and invoices

**Easily integrate with your financial software of choice** — export receipt data to QuickBooks®, Quicken®, TurboTax®, Excel® and more<sup>2</sup>

**Create editable and searchable PDFs** — includes Kofax® Power PDF for Windows® and for Mac®

**Easily scan in batches** — robust 20-page Auto Document Feeder accommodates stacks of receipts and documents of varying sizes

**Quickly scan two sides at once** — single-step technology captures both sides of a sheet of paper in one pass as fast as 30 ppm/60 ipm<sup>3</sup>

**Easy dual-band wireless connection** — scan to smartphones, tablets, computers and online cloud storage accounts<sup>4</sup>

**Remarkable versatility** — scan most document types from standard paper to cards and passports<sup>5</sup> using the flexible scan path

**Organize business contacts** — easily scan business cards and manage contact information with the included NewSoft® Presto! BizCard® bonus software

**Enjoy amazing image quality** — intelligent image adjustments with automatic cropping, blank page deletion, background removal, dirt detection, paper skew correction and staple protection
