

Epson WorkForce ES-55R Portable Document Scanner Accounting Edition

The lightweight portable scanner with accounting management tools.

With premium accounting features included¹, the WorkForce ES-55R makes it easy to extract and organize expense data from your receipts. Epson® ScanSmart Accounting Edition Software² is also included to easily scan, review and save important files. And, with Nuance® OCR included, you can create searchable PDFs and editable Word and Excel® files. The fastest and lightest mobile single-sheet-fed document scanner in its class³, this small, portable performer scans a single page in as fast as 5.5 seconds⁴. Plus, no batteries or external power are required when it's connected to a computer via the USB port. Scanning everything from business cards to contracts, the scanner accommodates documents up to 72".

Model: B11B252203

Specifications Scanner:
